

Don't use trash cans for house use, council warns

It would appear that some people never seem to learn and think that it's smart to go around and put their household garbage in the trash cans on the main street of Haliburton and in the cans at the local municipal parks. These barrels are put there for small pieces of litter and the garbage as we all should know should go to the dump. The municipality of Dysart et al have issued a statement to the effect that

should there be a continuance of the practice of depositing household garbage by residents and non residents alike in the trash cans located at Municipal Parks and around the main business area of Haliburton, serious consideration will be given to the permanent removal of this facility.

This kind of action has already been instituted in some area municipalities because of abuse of the facility.

Murray Agnew of Wilberforce new judge

Four new justices of the peace were sworn in at a ceremony held in Lindsay provincial Courtroom last week. One of the new Justices of the Peace is Murray Agnew will known businessman of Wilberforce, Ontario. Other sworn into this office were Sydney Money of Lindsay, William Shields of Cobocok and Catherine Hawkins of Lindsay, with Judge Inrig the central figure.

Prior to the ceremony, his honor recalled something of the history attached to the office saying it goes back many centuries and that it is by this means that a citizen is able to initiate a complaint and receive a hearing in court. Judge Inrig said many people consider it is only possible to get a court hearing through filing a complaint with police but that they can go to a justice of peace and lay a complaint which commences proceedings in court. He said it was important that those chosen for the office be of high standards and held in respect by fellow citizens. Court Clerk Wayne Evans distributed the two oaths required to be taken, those of allegiance and of office. Crown Counsel J.H. Woron said at the conclusion of the swearing in that the function of a justice of the peace is

extremely important. "The office is an ancient one and extremely important in the system of checks and balances to make sure justice is done in the

community," he stated. Barrister Bruce Glass extended congratulations to the appointees as president of the Lindsay Law Association. In conclusion Judge

Inrig noted that in making the appointments the aim was to have adequate representation in each area of jurisdiction.

7 young men charged with theft

Provincial Judge G.F.W. Inrig told seven young Minden-area men charged with 19 counts of theft related offences, they could be spending their summers behind the bars in Kingston instead of swimming in the lakes of Haliburton.

The seven, all 17 and 18 years of age and students of Haliburton Highlands Secondary School are Roger Pockett, William Roberts, Roy Boughner, Miles Maughan, Thomas Curry, Paul McCrea, and Derwin Barry. Originally there were eight parties involved, however the other member, Ivan Francis was injured in a motor vehicle collision and his case will be heard in October.

The young men started off on a local project, constructing a cabin which ended up in their stealing the majority of the materials needed to build it.

His honour Judge Inrig indicated the maximum penalty for break, entry and

theft from a dwelling house was life imprisonment, but noted he could appreciate the need for young people in this area particularly, to

Man charged with careless driving

When 25 year-old Joseph Terrance Ward of Pefferlaw fell asleep at the wheel of his car, late in the afternoon of April 26 on Highway 503 he woke up to find himself sitting in three feet of water.

Mr. Ward, who had been drinking decided that would be a good time to get his beer cold and subsequently dropped it into the water.

At Tuesday's regular session of Minden Provincial Court, Mr. Ward pleaded guilty to a charge of careless driving and was fined a total of \$153 or 15 days. Judge Inrig allowed the man 60 days to pay his fine.

have a meeting place. The judge said this represented a challenge for service clubs in this area, to provide more recreation for young Minden area people.

As the pre-sentence reports on all the boys were good, each received a conditional discharge for a period of three years. His honour noted that acquiring a criminal record was far more important than the lumber stolen, as it could always be paid for. Full restitution has been made.

Tennis Clinic now open

Junior Tennis Clinics for the next two Saturday mornings June 21 - 28. These sessions are open to everyone 14 and under and one conducted by Mr. Jim Burton, Ingoldsby an official of the C.L.T.A. The Clinic's start at 9 a.m. at the Rotary Tennis Courts at Haliburton.

The new Kosy Korner Restaurant on Highland Street in Haliburton is now open for business and this modern new eating place is certainly a credit to the village.

The interior of this new structure which is equipped with the most up to date equipment will seat eighty people and the over all size of the building is 24 x 67.

It is the intention of the management to stay open until 10 p.m. 6 nights a week.

The owners Bill and June Vanderhorst will be on hand to make everyone welcome and they hope that everyone will drop in and make themselves feel at home. They promise good food at reasonable prices.

The building was constructed by Tee Pee Construction of Haliburton.

Man fined \$250 for possession of narcotics

Found guilty of being in possession of a narcotic - hashish - Timothy Henry Smith, 23, formerly of the Rockcliffe Hotel, Minden, was fined \$250 and assessed \$40 costs in Lindsay Provincial Court on Wednesday. He was given two months to pay with the option of a 30-day sentence in lieu of the fine.

Judge George Inrig dismissed a charge of being in possession of a narcotic for purposes of trafficking on the grounds that the crown had failed to produce sufficient evidence to warrant a conviction.

The possession conviction arose as a finding on an included charge.

The trafficking charge dated back to February of 1973 and arose out of an RCMP investigation which led to the arrest of Smith and a man named Hamilton who were both staying at the Minden hotel. They occupied connecting rooms and quantities were found in both rooms. Hamilton was earlier convicted of the trafficking offense.

At Wednesday's hearing the accused was put on the stand and evidence produced revealed that scales suitable for weighing hashish, razor blades used for cutting it and 15 grams of the substance, had been found in his room. The judge held in his summation that it was incumbent upon the crown to establish beyond a reasonable doubt that the hashish was in Smith's possession for purposes of trafficking and that he wasn't satisfied this had been done. He noted the absence of customers in the crown evidence and any lists which might lead the court to conclude the sales were being made.

"Considering all the facts, I am not prepared to find the accused guilty of being in possession for purposes of trafficking," his honour ruled.

In passing sentence on the possession charge, Judge Inrig rejected an appeal by the defense for an absolute discharge, an appeal based

Haliburton Highlights

The final meeting of this Rotary year for the Haliburton Rotary Club will be held at the Hunter's Horn on Thursday night June 26th.

Curry (Pork) Whittaker has informed the Echo that he will be opening the "Head Hunter" for barbering and hairstyling near the first of July. It will be located in the Bowes and Cocks building where the Arrow TV was located. A further notice will follow on the exact opening date.

We are pleased to learn that the local Salvation Army Red Shield Appeal objective of \$2,800.00 has gone over the top and the Salvation Army are most grateful to the many people who donated and went out on the canvass. The money raised will help the Salvation Army to continue to carry on their good work here in the community.

The Haliburton Rotary Club picnic held at the Rotary Beach in Haliburton last Sunday afternoon was a great success and the local Rotarians and their families joined in for an afternoon of fun and frolic that included races

for young and old, a tennis tournament, and many other activities. One of the highlights was the Auction of picnic lunch boxes which were all labelled with the amount of people each box would serve with the menu attached to the outside. David Bishop did a bang up job of acting as the auctioneer aided by Art Ward who did the announcing.

"Omitted from the list of merchants who contributed to the Victoria Street School Fun Night was J and K Office Supplies. We apologize for this oversight."

Patients at the Red Cross Hospital this week are as follows: Mrs. Bernice Goodey and baby boy, Mrs. Rizpath Elstone, Mrs. Myrtle Pritchard, and Mrs. Wanda Scott and baby girl all of Haliburton, Mrs. Margaret Marshall, Eagle Lake, Mr. Eric Morrison and Mrs. Suzanne Anderson and Baby girl.

The Haliburton Cubs and Scouts wish to thank all those who donated and purchased goods at our Bake Sale on June 7th. It was really appreciated.

Haliburton News Letter

Laura Bernice Sholer of Haliburton passed away suddenly at the Red Cross Hospital in Minden on Tuesday, June 10th, 1975. The late Mrs. Sholer who was in her 63rd year was the beloved wife of the late Oliver Sholer of Haliburton. The deceased rested at the Funeral Chapel of John Welch and Son Ltd., Minden until Thursday, June 12th, thence to the United Church in Haliburton where service was held at 1:30 p.m. Interment was at Evergreen Cemetery at Haliburton.

Mark's Coffee Shop in Haliburton is sporting new plate glass windows which look very sharp and certainly add a great deal to the appearance of the building.

At the Haliburton County Echo we are always looking for your opinion through of Letters to the Editors column so if you have a letter please get it into us but be sure that you sign your name.

A Dawson City hockey team set two Stanley Cup records when it took on the Ottawa Silver Seven in 1905. The first record was set when the northerners lost 23-2, to have the most goals scored against any team in playoff history. The second was when Ottawa's one-eyed Frank McGee scored 14 of those goals, the largest number in any one game by one player. These records stand today.

May we remind you that if you are a winner in the Wintario Lottery or the Olympic Lottery please give us a call on the phone so that we can put it in our paper. This is the one and only way of telling just who wins that money.

On Wednesday, June 11th, 1975 a clinic was held at the Haliburton Highlands Secondary School at Haliburton for all those wanting to get more information on the subject of Diabetes. It gave the people the opportunity to talk with a doctor, a nurse and a nutritionist. It was sponsored by the Haliburton, Kawartha, Pine Ridge District Health Unit.

Glen Robertson Radio and TV are moving out of their location in the Plaza at Haliburton to a new location at the corner of Eastern Avenue and George Street in Haliburton.

Bicycles like cars, lose some of their braking efficiency in wet weather and on hills. The Ontario Safety League reminds cyclists to test your braking power on hills and after rain. You'll need more time to stop and you'll have to adjust your balance to allow for sliding. Don't be grounded by wet roads and hills. Give yourself a brake.

In Ontario in 1971 there were 1,268,005 people over the age 55; 924,455 over age 60; 644,410 over age 65; 416,640 over age 70; 124,215 over age 80; and 13,925 over age 90. On a percentage of total population basis there are more seniors in Haliburton than any other municipality, county or district in Ontario. Haliburton is followed closely by Victoria, Bruce, Muskoka and Grey.

Ontario Hydro serves an operational area of 250,000 square miles that extends about 1,000 miles from east to west and as far north as James Bay.

This is Senior Citizen's Week with the Provisional County of Haliburton and we wish to extend greetings to all Senior Citizens.

Ontario Hydro's nuclear generating station at Pickering, east of Toronto, required 25 million manhours to design and construct. It took nine years to build and has an expected life of not less than 30 years.

Minden OPP

\$1000 Damage to rolled over car

The Ontario Provincial Police, Minden Detachment report the following activity for the period of June 9 - 16, 1975.

There were 13 Motor Vehicle Collisions reported, and 73 General Occurrences investigated. During this period there were 5 Break and Enters reported, 5 persons charged with Liquor Control Act violations, one person charged with Impaired Driving and one other Criminal offence.

Ruth K. Ogilvie of 7 Moorehead Dr. in Etobicoke had to be treated for cuts at the Haliburton Red Cross Hospital following an acci-

dent which occurred on Saturday, June 14th at 12:30 p.m. The car in which she was driving was southbound on County Road #2 (South Kashagawigamog Lake Road) and was negotiating a downhill curve to the left, the car skidded across the road into the east ditch, rolling over onto its roof. Damage to the car was estimated at \$1000. The accident was investigated by Constable T.R. Brown.

A van driven by Brian J. Shaw age 21 of 2193 Kipling Avenue was northbound and keeping to the right on County Road #10 (Elephant Lake Road) on Friday, June

13th when the wheels sank into the shoulder, the van pulled further to the right rolling down an embankment, coming to rest on its wheels. Estimated damage was \$800.00. Constable R.W. Pearson of the Minden Detachment of the Ontario Provincial Police investigated.

A car driven by David M. Bishop age 35 of Haliburton was eastbound on Highway 121 (just east of Haliburton) on June 12th and was attempting to make a left turn into a private drive. A car driven by Altha M. Burke age 61 also of Haliburton was westbound and was not observed by the Bishop car and the two vehicles collided. David Bishop has been charged

with improper left turn and failing to afford reasonable opportunity to avoid the collision. Estimated damage to the Bishop car is \$100 and to the Burke car \$300. Constable J.R. Solway investigated the accident.

A head-on collision near the middle of the Harcourt Park Road occurred on June 13th at 9:30 a.m. A van driven by Hubert C. Vanginhoven age 26 of Wilberforce was eastbound. A car driven by Steven Karshakoff age 26 of Harcourt was westbound both near the middle of the road when the vehicles collided. Constable R.V. Telford of the Minden Detachment of the Ontario Provincial Police investigated.

Earl MacDuff of Haliburton, local Crown Life Insurance agent is at present in San Francisco, California attending the Million Dollar Round Table Convention which is taking place there from June 15th to June 20th.

Earl is to be an honor guest of the Japanese contingent luncheon and the message he will be delivering to them will be handled through a Japanese interpreter.

This trip was made possible through the people who believe in Earl and the Crown Life Insurance Company who come to him for their insurance needs. He wishes to thank all his clients at this time.

S.O.S.

Oh damn convention, cursed taboo,
It stirs the rebel in me.
If I should bare that secret thought
I know the "Good" will sin me.

And yet there stirs a warm impulse
And one that can't be named.
I must confess a hidden wish
To run with the untamed.

So Maverick Lady hear the sighs
Of yearning in my breast,
And sense the ache that urges so
And will not let me rest.

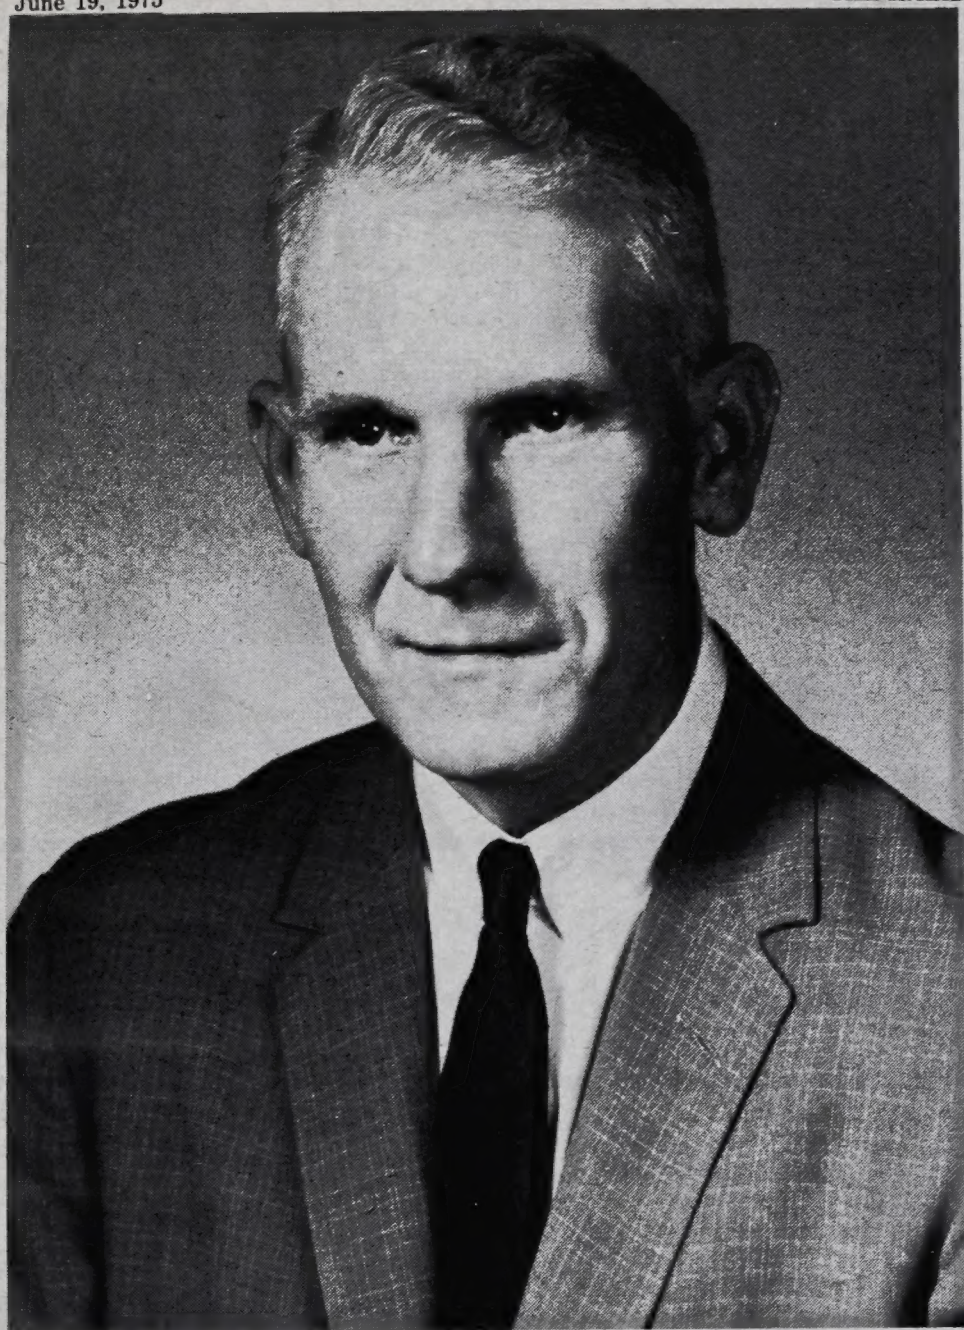

Ah, Maverick Lady, bound to give
To none but whom you choose,
Unpredictable as the Jay,
As the fancies you amuse.

So keen of wit, so potent of allure,
Betimes your eyes will page,
Perchance it happen I am it,
T'will be a privilege.

Earl T. Monahan, Rochester, N.Y., writer and director of public relations for Howard's Express, Inc., is booked into Hospitality Inn June 21-July 5 for his 25th consecutive holiday in Haliburton County.

Several years ago Earl was made an honorary member of the Highlands of Haliburton Chamber of Commerce for his efforts in boosting tourism in the area through many articles written for both U.S. and Canadian publications.

Monahan was a close friend of the late Norman Maidens who passed away early this year. The Rochester writer always took great delight in spelling Norm for a couple of weeks by writing his column for him in Minden Progress.

'75 Summer Exhibition

The Haliburton Highlands Guild of Fine Arts welcomes you to the 1975 Summer Exhibition and sale of arts and crafts.

To be held in the Senior Elementary School, Haliburton. Opening night, Wednesday, July 2nd, at 7:30 p.m. Daily, July 3-8 10:00 a.m. - 10:00 p.m. Sunday, July 6 1 p.m. - 5 p.m.

Again this year, the summer exhibition committee plans to show the public, high quality work, encourage new artists and craftsmen, provide demonstrations and films and thereby involve the visitors to share an interest in creative arts.

The Haliburton County Childrens' Art Exhibit will be on display, and scholarships for the winning entries will be presented on July 4th, at 8 p.m. by Miss Isabel Lindsay, from the Department of Education, Toronto.

The Guild of Fine Arts welcomes the presence of any exhibitor at the exhibition. If you can help us, please call 457-1680. Each community in Haliburton County will be represented by staffing this year's show.

Mr. John F. Rouble the principal of Haliburton Highlands Secondary School has been appointed to the Faculty of Education of the University of Toronto for the summer session. Mr. Rouble will teach courses to the Bachelor of Education candidates at the Faculty.

Dismiss trafficking charge, fined \$250 for possession

on the grounds that a conviction might prejudice his status as a landed immigrant from United States.

"Taking into consideration the attitude of the government of Canada toward the simple possession of a narcotic I would be very surprised if a conviction of this sort would have very serious consequences to the accused," the judge declared.

The quantity involved and related factors such as

possession of scales and razor blades for cutting the substance led his honour to observe that the circumstances in this case were quite different from those usually heard by him involving persons charged with possession of a narcotic.

The long time lapse in the hearing of the case was accounted for by the crown in its evidence that the accused had fled the country in fear when he learned that he was likely to be charged with trafficking

And now a look at the local news.

When it comes to local reporting of the news, eight out of ten people turn to their local newspaper for a complete report.

People turn to local newspapers for a full report on all local news. Where's the fire? Who got married? Who won last week's football game? All this, and a complete report on your City Council, school board meeting, or a possible bond issue, is news in your community. And, your local newspaper reports it.

People believe strongly in newspapers for several reasons: newspaper reading is a

habit with most people; it's part of the daily routine; people regard their newspaper as a friend they can't do without.

With over 80% of all adults, and 70% of all teen-agers reading a newspaper every week, no other news medium can match local newspapers for speedy, thorough saturation of your town.

Newspapers deliver the local story.

New Gospel fellowship group

The newly formed Haliburton Chapter of the Full Gospel Businessmen's International Limited will be holding their first meeting at the new Kosy Korner Restaurant in Haliburton this Saturday night, June 21st, 1975 at 7:00 p.m.

There are a limited number of tickets available and we understand that they are being picked up at a fast rate so if you are thinking of attending this first meeting don't delay in getting your tickets.

This new group was founded following a visit by Mr Ernie Warren to the B.A.C. meeting held at the Anglican Church in Haliburton recently. Mr. Warren is a member of the Peterborough Chapter.

This new fellowship group will give the local businessmen the opportunity to get together and strengthen their faith in this ever fast moving world. We must admit that most of are lacking in faith and this will give us the opportunity not only to broaden our outlook but to come in closer contact with the Lord.

John Hutchison of South Devon, England a spirit filled layman with a background in the Plymouth Brethern denomination will be the guest speaker. A native of Glasgow, Scotland, he is a hotelier by profession, currently overseeing operations at two Christian conference retreat centres in England.

This new group which is interdenominational will be meeting at Kosy Korner on the third Saturday of each month.

Please fill out that questionnaire

In the mail last week we received a questionnaire to fill out which is being sponsored by Talk, a group of three girls who are working on an opportunity for Youth Federal grant. We urge you to fill out the questionnaire and send it back in the envelope sent to you to return.

It seems to us that we are continually being asked to fill out questionnaires sent out by various groups. This is a good idea and it gives that particular group an idea of just what people are thinking on various subjects.

In our opinion it's fine to get these forms filled out but we often wonder just how much is done about the questions that are asked. It seems to us that very little action is taken on any of them.

The pleasure of boating

The world of pleasure boaters is populated by enthusiasts who enjoy the freedom and exhilaration of long days on the water whether in a cartop, canoe, runabout, inboard or sailing craft.

A great deal of the fun is making certain the boat is seaworthy, paddles, sails or motor are in good repair and that lifejackets are buoyant. Aluminum hulls need to be checked to ensure that rivets have not popped. Canvas-covered cedar strips must be examined for wear and separation. Wooden vessels should be inspected for soft rot and fractures.

For power people, small, medium and large motors should have a thorough overhaul and be kept tuned all season. The Ontario Safety League points out that repairing a motor in choppy water with a brisk breeze blowing, is not only uncomfortable, it may lead to swamping.

Your boat should be scrubbed inside and out; inside for comfort and outside for smoothness in operation.

Ministry of Transport approved lifejackets or lifesaving cushions for each person on board must be carried in any type of boat and at this time of year, even experienced swimmers should make it a practice to wear them. Many people fail to realize that most Ontario waters from now until July, are cold enough to cause unconsciousness within fifteen to twenty minutes, should you be thrown suddenly into the water from a tipping, swamping or capsizing boat.

Other mandatory equipment for all boats is: two paddles or oars, a bailing bucket or hand pump and a class 1B fire extinguisher if the boat is equipped with an inboard motor, built-in fuel tanks or a cooking or heating appliance that burns liquid or gaseous fuel.

The Ontario Safety League suggests that additional gear should be an adequate anchor with 50 feet of line in good condition and a tool box containing spare spark plugs and sheer pins.

H. GORDON GREEN

How many of the old superstitions can you remember? How many of them do you still believe in, or sort of - without admitting it? Now that science has ushered in an age of awesome enlightenment it seems to me that awe we had once for Grandmother's charms and signs and portents must have all but disappeared and I think someone ought to take time out to make a collection of them before we've forgotten them entirely. These old beliefs were, after all, a very important part of our "folk wisdom".

My own grandmother believed implicitly that the breaking of a mirror meant seven years' bad luck. A black cat crossing your path might be even worse. Especially on a Friday. And if it should ever have happened on Friday the 13th, well that would have been enough to send her to bed for the rest of the day. And here now are some of the other beliefs of her day.

A table knife falling to the floor means that a male visitor will come to dinner, and from the direction in which the knife points. A fork falling to the floor indicates that a female visitor will soon appear.

When your nose itches, you are going to kiss a fool.

Step on a spider and it will rain.

The seventh son of a family will have a wonderful life, especially if you put a live toad in his hand when he is seven days old. (My father was the seventh son. He is 92 now and has had a wonderful life even if they did forget the toads.)

If you sew on Ash Wednesday, your hens won't lay.

It's good luck for crickets to chirp in the house.

It's good luck to sweep the house on New Year's Day.

Don't burn the wood of a tree struck by lightning or you will have sickness in the house.

The right front foot of a rabbit brings good luck.

To put your right shoe on first in the morning will bring you good luck throughout the day.

If you kill a toad your cow will give bloody milk.

If you dust your henhouse with wood ashes on Ash Wednesday, the lice won't bother your hens.

Speaking of the superstitions which were connected with yesteryear's agriculture, I think one of the most interesting piece of advice ever given me about animal husbandry was given me by a picturesque old widow who was still going strong at the farming business

when she was in her 70's, and going it alone. "You take a mare with four white feet," she told me, "and you face her due north when she's getting bred and she'll throw you a mare colt every time. I know because I've tried it." She couldn't abide males of any kind.

And truth to tell, all the horseflesh on her farm was female, except for one. Seems that just as the great transaction was about to be consummated, his silly old mother switched her rear end around to due east. And he was the disappointing result.

Wilderness survival

A series of 2-day courses on "Wilderness Survival" will be held in July and August under joint sponsorship of the Ministry of Natural Resources, Sir Sandford College, and the Haliburton School of Fine Arts.

During the 2-day sessions slated for July 15, 16th and August 12, 13th, compassing, orienteering, axeman-ship and wilderness survival will be featured. The cost of the course is \$20.00 per family, or \$8.00 per person. It will be held at the Leslie M. Frost Natural Resource Centre on Highway 35, six

miles south of Dorset.

The course instructor will be Mr. Stephen Williams, M.Sc.F., Visitor Services Specialist, at the Frost Centre. Mr. Williams wrote his thesis on outdoor education which dealt with the development of the Bracebridge Resource Management Centre.

Persons wishing to register should contact: Sir Sanford Fleming College, Haliburton School of Fine Arts, P.O. Box 339, Haliburton, Ontario. Telephone: 705 - 457-1680.

Letter to the editor

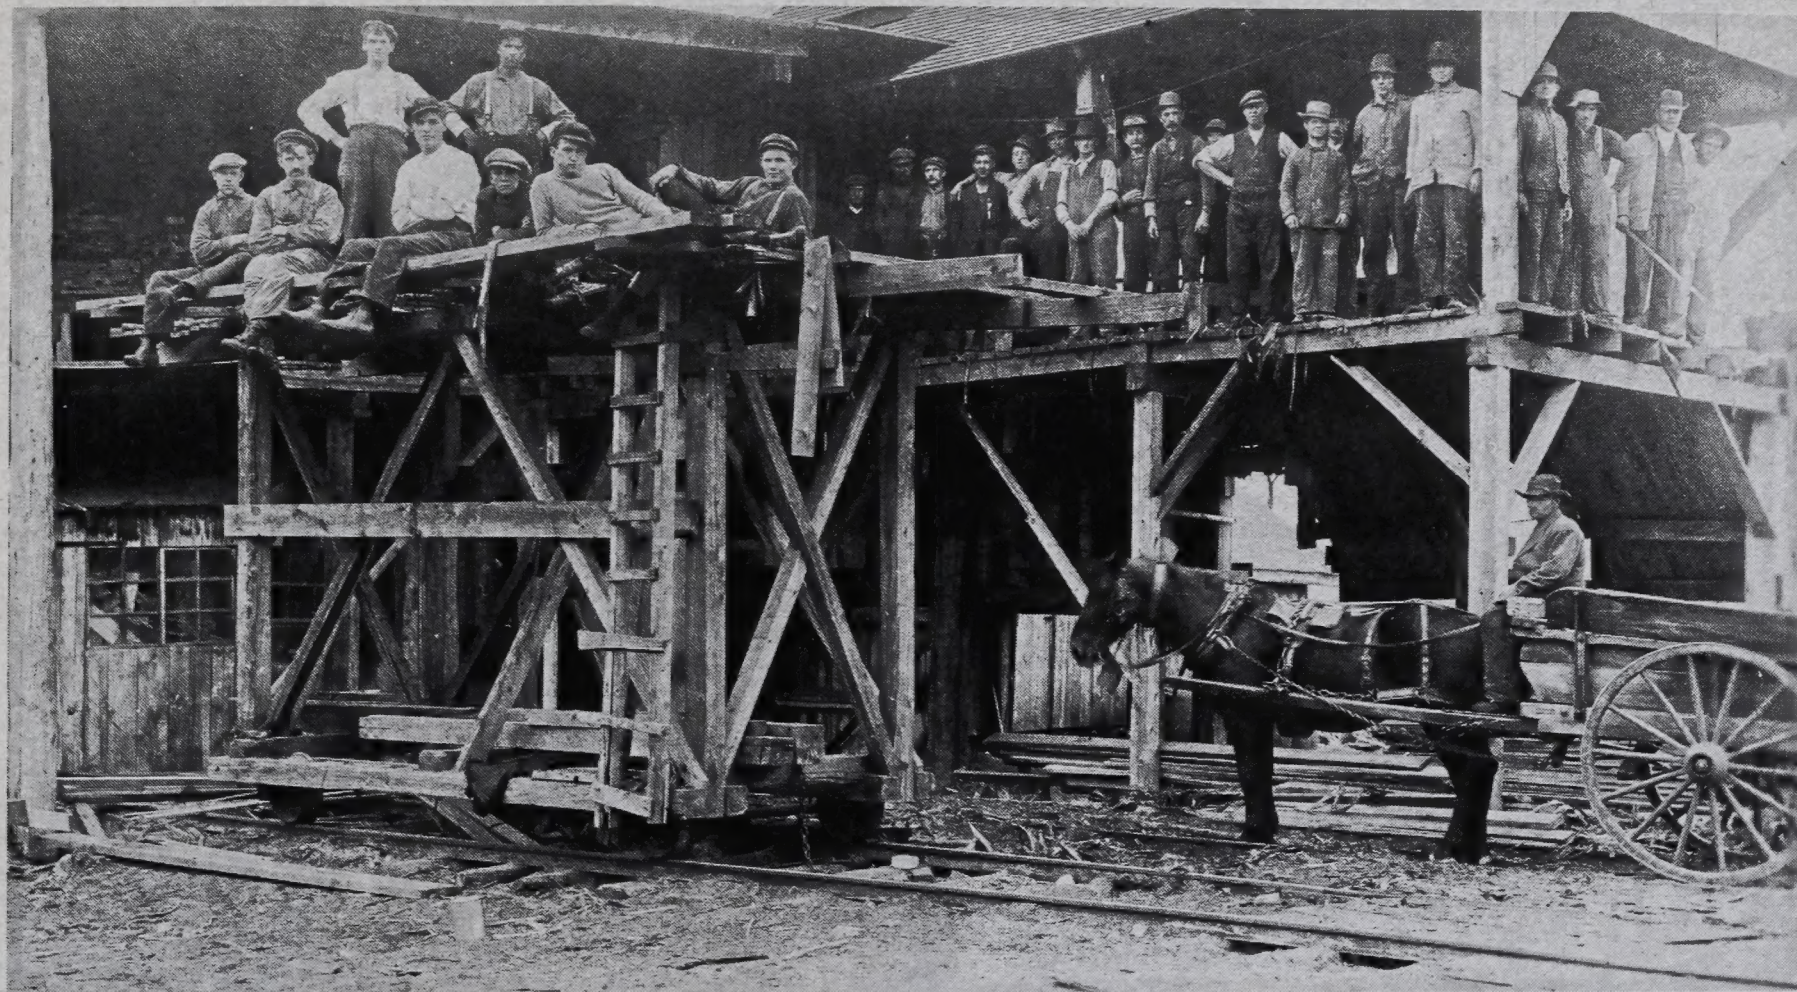

Mr. David McKee,
14 Grasspoint Cres.,
Etobicoke, Ontario
Dear Mr. McKee:

On behalf of the members of the Council of the Township of Stanhope, I would like to extend congratulations and sincere appreciation to you for your heroic rescue of two cross country skiers from the icy waters of Beech Lake on February 22, 1975.

In this age when indifference is so prevalent, council members feel we are certainly privileged to have someone in our area with the courage and thoughtfulness displayed by yourself.

We trust you may spend many happy and rewarding days in the Township of Stanhope.

Yours very truly,
Gerald Bain, Clerk

Pic of the Past

Many of the oldtimers will recall the men in the above photo. The picture taken in the early 1900's shows the employees of the Malloy and Briens Mill which was located on Head Lake at

Haliburton. Thanks to Ruby Henderson of Kinmount for submitting this photo for our use.

BILL SMILEY

In defense of Yanks

AS regular readers of this column are aware, there are a great many things that bother me. On the whole, I'm glad of it. May I never become one of those people who are never bothered about anything, or if they are, don't have enough guts to say or do anything about it.

The list is endless: Celsius temperatures; those silly organs at hockey games; strident Women's Libbers; stupid male chauvinists; gutless politicians; lawless unions; greedy big business; chicken bureaucrats; tire-squealing adolescents of any age; mindless beer ads; town engineers who want to cut down trees; snotty hotel desk clerks; religious fanatics; ripoff artists in the social services; the Receiver-General of Canada; most administrators; most people who make more money than I do. I could fill a column.

This should make me a very disturbed young man. I use the term advisedly. How come everyone is getting old but you and me?

Fortunately, this has not happened. There are so many things I like that I am usually in a state of happy balance, like a fat lady going on a diet of ice cream sundaes.

However, there is one thing in this country that gravels me thoroughly. It's a nasty thing, spreading like a cancer, as difficult to fight, and just as fatal to the people infected.

That thing is the steady growth in this country, fostered by a small, often vicious, but vociferous minority, of Anti-Americanism.

I don't think it has yet grown to uncontrollable proportions in the corpus Canadiensis, and I hope it can be cut out with some rigorous surgery in the right places.

It's a creepy, crawling business, and the healthy mind can be smeared with it subtly, without even noticing its existence.

It's hard to pin down. You can find it among educators, in the press, among politicians, and in varying degrees of shrillness throughout the media.

Many honest nationalists are taken in, and eventually find that their pride in things Canadian has been warped into Anti-Americanism. Let there be no mistake. There is no real connection. The former is healthy. The latter is sick.

This has always been a country loaded with prejudice, whatever you may think. A couple of generations back, the Anglo-Saxons of this fine free country of ours looked down their noses, even though their own background was an English slum, a Scottish croft or an Irish shanty.

They spoke bluntly and disparagingly of lesser breeds. Germans and Scandinavians were Squareheads. Italians were Wops or Dagoes. French were neither Canadian nor Canadien. They were Frogs or Peasoupers. Everybody from Eastern Europe to the Ukraine was a Hunkie. A black person was a Nigger. And a Jew? Well, a Jew certainly wasn't Jewish. He was "just a Jew." The only thing lower than any of these categories was a woman.

Think I'm romancing? It

sounds pretty ugly, doesn't it? But I was there, gentle reader, and so were many of you.

With education, enlightenment, and a fine performance by most of those lowly immigrants, came a change in atmosphere. It became fashionable to be "tolerant," a word that has always made me squirm.

But not before the private schools, and the law societies and the medical schools and the golf clubs had had their Wasps-only barricades knocked down. It was ugly in this country.

The grandchildren of those earlier prejudiced people showed a remarkable lack of that narrowness. Canada was becoming an oasis of freedom for the individual. People were leaning over backward to prove they were liberal and "tolerant."

And now all that narrowness and secret hatred seems to be channeling itself into Anti-Americanism.

People in this country talked endlessly about Watergate, as though such a sewer of corruption were peculiar to Americans. They sniggered about the antics of

American leaders.

There was a particularly nasty type of something near gloating when the Americans pulled out of Vietnam.

There was and is a proliferating of popular articles about the Americans owning Canadian industry, buying up Canadian property.

Let's put an end to this slimy business. Let's look at our own dredging scandals and lawless unions.

Let's stop secretly cheering when the Yanks get a bloody nose somewhere.

It's not their fault that they're rich and powerful. They didn't seize our industry. We sold it to them.

France and Britain virtually ignored Canada when this country was abuilding. We owe them nothing.

We could have a lot worse neighbors than the Americans; in fact almost anyone I can think of.

Anti-Americanism is chiefly petty envy, and is found only among those who are petty and envious. We're too big for that.

The Argyle Syndicate Ltd.

IT'S SUMMERTIME IN THE HIGHLANDS

Kinmouth senior citizens enjoy program

On May 14 a very enjoyable time was had by the Kinmount Senior Citizens as guests of John and Helen Hickey at the old Galway school house which they now own.

The afternoon was spent playing euchre and cribbage while some members enjoyed a visit. One of the former school teachers attended and brought along snapshots of pupils of her era, including some of the senior citizens in attendance.

Later in the afternoon, the chef Steve Hancock, and his many helpers prepared sausages, pancakes and maple syrup for the 40 people present.

The Club's musical trio of Jerry Silvers, Bert Bowrin and Ken Smith entertained, making the whole evening a delightful experience. The music was so toe-tingling dancing was suggested and the furniture was moved and on went the dance.

A grateful thank you was extended to all who helped make the hours pass so quickly, especially to the music makers. Ambrose Watson was made specially welcome as he has been unable to attend many meetings on account of a broken knee he suffered early in March. Speedy recovery was also extended to another member Lawrence Hickey who is in the Lindsay hospital having suffered a broken hip. Both

will be welcomed on their return.

The Kinmount Senior Citizens will welcome the summer visitors again for their faithful attendance and their generous contribution

of constructive ideas.

The Kinmount Senior Citizens meet every Wednesday at 1:30 p.m. and every second Wednesday at 8:00 p.m. for fun and games at St. Patrick's Hall.

Refreshments are served and a small charge is made to cover expenses. Senior citizens of the area are invited to join in the hospitality and interesting programs.

Students exempted in all subjects

The summer holiday started early for fifty-eight hard-working students at Haliburton Highlands Secondary School. These students were finished school on June 11, 1975, because they were not required to write any of the June examinations.

The pupils were not allowed to be absent more than fifteen days over the course of the school year; had to achieve a report card mark of sixty-six percent on the January report and maintain this average or better for the remainder of the school year.

These young people are to be congratulated for the diligence and regular attendance. The names and classes of the students follow:

A1A Andy Salvatori, Jennifer Stephenson.
A1B Wyatt Barnes, Tracy Bennett, Robert Jackson, Janice Simmons, Paul White.
A1C Erin Gilligan, Beverly Jones, Marina Pearsell, Henny VanLeishout.
G1A Ken Griffin, Kim

Roberts, Diana Scott, Cory Shepstone, Norma Teasdale.
G1B Kim Brohm.
G1C Barb McPhail.

A2A Lorraine Cowan, Wendy Homestead.
A2B Becky Davidson, Dave Everall, Jackie Gough, Colin Hewitt, Cathy Kinsman, Brian Mulholland, Jerry Stephenson.

G2A Brenda Graham, Jim Thompson, Brenda Whitney.
G2B Douglas Cameron, David Petrini, Kevin Sisson.
A3A Beverly Kimble.

A3B Steve Colliver, Joe Iles, Craig Kennedy, Will Tyler, Larry Watson.
G3C Marlene Cook.

A4A Lois Deacon, Wendy Greer, Shelley Jones, Dean Minto, Barb Payne, Karen Thomson.

A4B Kim Emmerson, Sandy Gough, Judy Little, Curtis Rogers, Al Trepanier.
G4A Katherine Hill, Ruth McElwain

G4B Elwood Austin.
A5A Laurie Brown, Kerry Riley, Peggy Roberts.

Obituary

Earl Stevens

Haliburton County lost one of its older citizens on Saturday, June 14th, 1975 when Earl Stevens passed away at the Red Cross Hospital in Haliburton.

The late Mr Stevens who was in his 74th year was the beloved husband of Irene McIntyre of West Guilford and loving father of Marlene

of Gravehurst and Ken of West Guilford.

The deceased rested at the Funeral Chapel of John Welch and Son Ltd., Minden where service was held in the Chapel on Monday, June 16th at 2:00 p.m.

Interment was at St. Peters Cemetery at Maple Lake.

The Reeve's corner

by Reg Booth

On a recent Saturday the writer was approached by a cottage owner with a rather disturbing story. I must share it now with all the business people of Minden.

The man in question said, "we don't shop in Minden much anymore, last summer our baby got hurt and we couldn't get a doctor in Minden, so we had to drive to Haliburton. We received such good attention from the doctor there that we go there regularly now for everything."

The writer has many letters telling stories of this kind, and after more than two years of effort is still unable to get any help from our M.P.P. We did have two doctors coming, but it seems that government red tape stopped this.

It is high time that all business people became interested in the business that is LEAVING Minden because of this problem. Not only should YOU get interested, but you should DO SOMETHING about it. We would suggest that you write to the Premier, write to the Minister, the Hon. Frank S. Miller, Minister of Health. Write to me, and I will forward the letters for you.

We have all waited too long for the assistance that we should be entitled to. Now lets do something ourselves.

Obituaries

Robert Henry

Robert James Henry passed away June 6, 1975 at the Civic Hospital Peterborough.

A life long resident of Tory Hill, he was born in Essonville November 2, 1898, the son of the late Robert and Victoria Henry.

He is survived by two sisters, Mrs Winnett Austin, (Mae) of Haliburton, Mrs Sydney Bradley (Elsie) of Oshawa and one brother Clarence of Wilberforce.

He was predeceased by a sister Mrs Edward Rowe (Maggie) of Toronto and a brother Harold of Oshawa.

The funeral was held at the Welsh Funeral Home, Minden on Monday, June 9. Lt. Savage conducted the service.

Interment at the Essonville Cemetery.

The pallbearers were Hubert Dunford, Lloyd

McNeely, Albert Saunders, Edward Earle, Jim and Ted Deterling.

Walter Cowen

Walter William Cowen of Haliburton died suddenly at the Red Cross Hospital in Haliburton on Sunday, June 15, 1975.

The late Mr Cowen was the beloved husband of Ann Downer of Donald, and loving father of Liesa and Paul. He was in his 46th year.

Up to the time of his death Walter was a valued employee of Coneybeare Motors Limited where he was employed as a mechanic.

The deceased rested at the Funeral Chapel of John Welch and Son, Ltd., Minden where service was held on Wednesday, June 18th at 1:30 p.m.

Interment was at Ingoldsby Cemetery.

Stream survey program in the Lindsay district

Again this year the Ministry of Natural Resources will be conducting its stream survey program in the Lindsay District. This program is designed to provide the Ministry with basic information on surveyed streams to facilitate better management of these resources. Such information as basic water chemistry, fish, invertebrate, and aquatic plant species along with water temperatures, stream gradient, and volume of streamflow provide the basis for management decisions concerning, in particular, the fisheries. Last year a number of important trout streams flowing into Lake

Ontario were surveyed in the areas of Oshawa, Whitby, Bowmanville, Newcastle, Port Hope and Cobourg. The stream surveyors are presently attending a course at the Leslie M. Frost Natural Resources Centre at Dorset. The tendency course is designed to teach the crew some of the theory behind the program as well as train them in the practical survey techniques.

This year the Lindsay District stream survey crew will be working out of Emily Provincial Park and conducting surveys in a number of streams in the Kawartha Lakes area.

Olympic Lottery

Several local people were in on the winnings

Following the last Olympic Lottery Canada draw several local people were in on the winnings. Of those who we understand have won some money from this draw include, Grant Rae Haliburton \$100.00, Jim Roberts, Haliburton, \$100.00

Stanhope Fire Department, \$200.00, Haliburton Fire Department \$100.00.

If you happen to be a lucky winner in either the Olympic Lottery Canada Draw or the Wintario please let us know so that we can get it into the paper.

Senior university students given opportunity to gain work experience

As part of the Ontario Government's continuing program of providing employment opportunities for young people during the summer, the Ministry of Labour is again this year giving senior university students the opportunity of gaining practical experience in the Ministry's work.

The Ministry plans to hire senior students to work in the areas of construction safety, industrial safety, industrial relations, employment standards and for a special program for International Women's Year.

About 30 civil engineering and civil technology students will be hired as inspection trainees and will work closely with senior Construction Safety Branch personnel across Ontario. The students will gain valuable on-the-job experience and observe many different construction techniques and problems, and will also provide additional safety inspection support during the summer's peak construction period.

The Industrial Safety Branch will be hiring at least 10 senior mechanical or civil engineering students to help make general safety inspections of a non-technical

nature in shops, stores, and other industrial premises. They will become familiar with The Industrial Safety Act and will have the chance to observe working conditions throughout the Province.

The Ministry's other main programs are part of Experience '75, which is an Ontario Government program designed to provide supplementary summer employment and to help in the high student unemployment situation. It is being co-ordinated by the Ministry of Culture and Recreation.

Under the Industrial Relations program, about 40 students will be assigned to labour unions, labour councils, large companies, employee associations and industrial relations consulting firms to gain a practical knowledge of the role, operation and activities of the industrial relations function.

A further 60 students will be hired to form information units for International Women's Year. Twenty portable display units, each staffed by three students, will provide information on equal opportunity programs affecting women and on

other Government programs for women. The students will help to publicize various local events of interest to women in that community and offer their services to groups interested in sponsoring special projects.

A further 45 students will take part in a special Employment Standards Branch survey of the construction industry. The students will visit contractors throughout Ontario to collect data relating to job classification, hourly rates of wages, hours of work and

overtime payments. They will learn about actual working conditions in the construction industry, while providing the Ministry with information needed to update Industrial Standards Schedules and other related Acts.

A number of law students will also be hired by Employment Standards Branch to handle inquiries from employees, employers and the general public about the work of the Branch, and to conduct personal interviews with employees.

Ford loans 140 trucks to summer job program

The Honourable Robert Welch, Minister of Culture and Recreation, today accepted the loan of 140 trucks from the Ford Motor Company Ltd. for the provincial government's special-summer employment program, Experience '75.

About 2,200 young people are employed in the Experience '75 components of the Ministry of Natural Resources.

The presentation was made by William Hawkins, vice president and general manager of Ford, at Queen's Park. Mr. Welch was presented a symbolic set of keys.

The young people participating in the Natural Resources programs are involved in a variety of tasks including clean-up of roadsides, shorelines and picnic sites; improvement of Conservation Areas by building nature trails, picnic sites; and work on conservation studies, information and education programs.

The 140 white Ford vans and pick-ups are used to transport work crews, equipment, and material through the large regions administered by Conserva-

tion Authorities and District Offices of the Ministry of Natural Resources. The trucks have a retail value of almost \$865,000.

Mr. Welch extended his appreciation to Mr. Hawkins and Ford on behalf of the Ontario Government and Experience '75. Mr. Welch said this generous contribution has added much to the success of the Natural Resources' programs.

However, not only must we continue to enhance our environment, said Mr. Welch, but we must continue to look after our most valuable resource - our young people. This is the fifth consecutive summer that Ford has loaned vehicles to the environment programs, said Mr. Welch, and he hopes the private and public sectors will continue to cooperate closely in the effort to provide summer employment for Ontario's young people.

Experience '75, consisting of 27 component programs, provides more than 7,500 young people with experience-oriented jobs in fields ranging from the environment and social services to education and recreation.

Ontario Hydro news

April's cold snap resulted in a marked increase in electrical usage in the Province.

An Ontario Hydro report shows primary energy demand of 7,059,291,000 kilowatt-hours during the month, 7.3 per cent above the corresponding period in 1974.

Peak electrical demand was 12,364,000 kilowatts. This came at 7:25 p.m. Friday, April 4.

More than 42 per cent of total energy made available during April came from water power, 22.7 per cent,

coal, 12.8 per cent uranium, 4.3 per cent, natural gas and 17.7 per cent, purchases.

Hydro began its annual summer maintenance program during the month and this resulted in a number of major generating units being out of service for varying periods of time.

Unit 2 at Nanticoke remains off line following last summer's fire. Pickering 4 is out of service due to heavy water leaks in the closed collection system and Unit 3 has a malfunction in the generator cooling system.

Prime target of tour bus travellers on a first visit to Ontario is Niagara Falls, the world's best known tourist attraction shown above. But a free new tour booklet put out by the Ontario government offers nearly 50 other exciting sojourns of the province in packages ranging from one to 15 days.

Townships designated under Quarries Act

By a recent Order in Council, 142 additional townships were designated under the Pits and Quarries Control Act; which regulates the operation of gravel pits and quarries. Included on the list were the geographic townships of Bexley, Eldon, Mariposa, Scugog, Cartwright, Fenelon, Verulam, Ops, Cavan, Emily, Harvey, Smith,

Ennismore, Otonabee, South Monaghan, Alnwick, Asphodel, Belmont, Douro, North Monaghan, Dummer. All the townships in the Lindsay District have now been designated under the Act.

Gravel pits have been the subject of much controversy with residents, and it is hoped the regulations of the Act will make possible a

more understanding relationship between the pit operators and the public. However, the Ministry is concerned that a sufficient long term supply of aggregate must be available for production, and is co-operating with various planning agencies to achieve that goal. Gravel is not a renewable resource like our forests.

The Act is not intended to close existing operations, but to encourage rehabilitation of pits and to reduce environmental impacts, while still permitting the use of the resource.

The Act requires all operators of gravel pits in the designated townships to obtain a licence from the Ministry of Natural Resources if they wish to continue their operations. Operators have until November 3rd, 1975 in which to apply for a licence. Otherwise, the gravel pit or quarry will be closed until a licence is issued.

Pit operators are advised not to delay their application until the last minute, as they will require the assistance of an Ontario Land Surveyor or a Professional Engineer in preparing the necessary site plans which must accompany each application. Further information on the regulations are available from the District Office in Lindsay.

OHRP allocates funds to Lindsay

Grants for the implementation of the Ontario Home Renewal Program (OHRP) have been allocated to several additional Ontario municipalities, including the Town of Lindsay, Housing Minister Donald R. Irvine announced today.

OHRP provides per capita grants to Ontario municipalities to administer directly as loans to homeowner occupants to repair their houses to an acceptable

municipal minimum standard.

Lindsay has been allocated \$15,000 at this time, Mr. Irvine said, which represents approximately 40 per cent of the total 1975-76 funding designated under OHRP for the municipality.

The prime objective of the program is the correction of faulty structural and sanitary conditions and the upgrading of plumbing,

heating and electrical systems of the owner occupant's home.

"OHRP is directly oriented to low and moderate income families, with a maximum annual income of \$12,500", Mr. Irvine said. "Lindsay is to be congratulated for its initiative in moving quickly to implement this program, which ensures the continued usefulness of needed existing housing."

The maximum amount of an OHRP loan, as determined by the local municipality, is \$7,500, less any funding from other home renewal programs. The municipality is also responsible for determining the rate of interest charged on the loan, from zero to eight per cent, and what portion of the loan will be "forgiven", and therefore need not be paid back.

OHRP extends home renewal possibilities to owner occupants in any municipality in Ontario, urban or rural, which has adopted either a minimum housing standards bylaw or a resolution setting such standards.

Cedar Leaf Miner strike

Cedar Trees in the Lindsay District have recently been hit by the ravages of the Cedar Leaf Miner, which has caused widespread damage to the eastern white cedar tree, its favourite host.

The 1/8 - 1/4 inch long larva of the cedar leaf miner burrows into the shoots of the tree and causes the tips to turn brown. Although its damage is sometimes confused with other causes, the hollowed out interior of the scale-like leaver is proof of insect work. When infested foliage is held up to the sun the larva may be seen inside the translucent mines. Trees growing in open exposed areas are usually hit more severely than trees in sheltered areas. Twig and branch thinning does occur, and the tree may die if it is severely struck in successive years.

Trimming and burning the infested branches may give adequate control on small ornamentals, but spraying the foliage is usually more practical. Spraying with the insecticide malathion when the moths are first seen flitting around the trees in June and July will kill the adults and prevent egg-laying. However, it is generally more efficient to kill the larvae while they are

feeding in the leaves by spraying with the systemic insecticide dimethoate, (Cygon) in early May and in mid-August.

Users should follow all directions and precautions printed on the container label, as insecticide are very dangerous when improperly handled.

DID YOU KNOW:

There have been 7 forest fires in the Lindsay District so far this year with 13.7 acres being burned over.

Ontario's new office of Ombudsman

Our government recently announced further progressive legislation to enhance the civil rights protection we have enjoyed for many years in Ontario. Plans to establish the office of an Ombudsman - basically a protector of citizens' rights - were welcomed by all in the Government as an additional tool to ensure justice for every Ontarian.

There is a good deal of provision within present legislation to allow for citizen redress. However, we in the government have concluded that there are still areas which are not subject to a particular mandate to deal with certain citizen complaints. Thus, we believe there are fields of government administration which can indeed be improved in the interest of justice for Ontario citizens. The creation of the Ombudsman is to this end.

The idea of the Ombudsman originated in Sweden and has been carried to many European and Commonwealth nations, and, a number of Canadian provinces.

In Ontario, the Ombudsman's mail role will be to investigate decisions, recommendations and acts committed or omitted in the administration of the government. This may be done in response to citizen complaints or on his own initiative. After investigations he will inform the particular citizen of the action he has recommended be followed to resolve the complaint. The Ombudsman will make an annual report to the Legislature.

Balancing the odds weighed against a citizen in his individual dealings with the bureaucracy will be a significant contribution by the Ombudsman. I feel this is a step toward eliminating much of the "red tape" and impersonality which exists between government and people.

Many argue that the Ombudsman is not necessary because our elected representatives are delegated with his responsibilities in a democratic system. To support this argument, however, shows a misinterpretation of the legislation establishing the Ombudsman. The services of the Ombudsman are not to be sought until all other channels designed to rectify the situation have been exhausted where the particular problem falls under a jurisdiction in which the law

provides for a right of appeal, review or other remedy.

The idea of the Ombudsman, then, does not contradict the democratic system of government as it concerns the duties of our elected representatives. It is simply a further safeguard of provisions and legislation protecting the individual's civil rights.

I applaud the appointment of Arthur Maloney, Q.C., as Ontario's first Ombudsman. Mr. Maloney's concern and compassion for the rights of

the individual have been clearly demonstrated through his endeavours in the legal profession, as a Member of the Parliament of Canada, and in a host of public services. Without doubt, he is a man dedicated to the cause of justice in Canada.

Mr. Maloney expects to officially begin his new job in September of this year. I believe we will all regard his office as a definite asset to the cause of citizens' rights in Ontario.

News from Minden

Jack Phillips of Kinmount is home again after Open-Heart Surgery at Toronto General and is making a fine recovery.

Girl Guides and Brownies of West Guilford Pack their leaders, and Marjorie Cowan and Isobel Gibbs of Stanhope Library visited Minden Library Friday evening to see the Display of Dolls there.

Another lucky lady at Rotary Bingo Thursday night, Waneeta Hogg won \$70 for the Snowball in 19 numbers called. Congratulations to her.

Mr. C. Smith of Detroit Michigan and Miss Amy Smith of Brantford have been visiting the past week with their sister Mrs Lorne Dawson.

Hector Roman and some Boy Scouts has a Camp-out on the weekend at Denny's Lake.

Foster Hewitt and Judy Carroll of Toronto were weekend guests with the Ern Hewitts.

Mrs James Graham was pleased to have a phone call from Vern Graham from Vancouver where he is now on a short stay.

Last Sunday there was the St. Paul's Anglican Church Family Picnic and all enjoyed a pleasant time at

South Lake Trailer Camp.

Mr and Mrs Reg Leaman Jr., and family of River Drive Park spent the weekend with her parents Mr and Mrs M. Sears.

Friday evening Nellie Graham had a guest from Hamilton, Mr Walter Munn who was on his way to Masonic Lodge for meeting where they were having Election of Officers. They had a very pleasant and interesting visit checking on older citizens and their families.

Anyone interested in Girl Guides, Brownies or their colourful dress, should try to

visit Minden Library before July 1st. Here are set up 7 cases of dolls dressed in uniforms of all member-nations of Girl Guides and Brownies and their leaders. This display was made by Evelyn G. Langford of Dwight and must have taken many hours of hand sewing. You may see this at this Branch afternoons 3-5 and Tuesday, Thursday and Friday evenings from 7:30 - 8:30 p.m. Also this is a free exhibit so come and see it.

Lois Deacon and Cathie Todd are holidaying at Coldwater this week.

Carnarvon news

Mrs Barnes Sr. is visiting with her son Syd and his family.

Mr and Mrs Wm. Chambers spent the weekend in Ottawa with their daughter (Alison) now Mrs. Blair Corcoran.

Congratulations to Mr and Mrs Ron Finkle (nee Josie Miscoe) who were married last week. Lawrie McKay gave a shower for Josie in her home, as Josie was a Carnarvon girl for a long time.

Mrs Minaker has her granddaughter Lorain Gilmore up to spend the summer with her.

Mrs Maurice Windsor is in the Civic Hospital in

Peterborough for tests, we trust she will only have a short stay in there.

Mr and Mrs Garth Windsor and Mark of Belleville are at their summer cottage on Hawk Lake for their holidays.

Mr and Mrs Ross Hussey from Toronto were up to visit with Mrs. A. Hussey.

The Carnarvon girls baseball team played with the Haliburton High School teachers for an exhibition game, the girls beat them by one run, and the game was called on account of rain.

Mr Cliff Skelding is also in the Civic Hospital in Peterborough, we wish him a speedy recovery.

This Laughing Pilgrimage

by Nila Reynolds

This community also held church services in the school each Sunday. The school-board like most others of the day employed no regular caretaker so I appointed two different girls to sweep the first four days of the week and on Friday I gave it a thorough sweeping and dusting myself. The people I boarded with had one child, a girl about twelve, who they over indulged and spoiled. When her father learned she had to sweep one side of the school once a week he told me he didn't want his girl sweeping the school. I said this was fine as far as I was concerned but if she wouldn't do it, neither would I since I hadn't been hired as a janitor either. I suggested that he arrange with the rest of the schoolboard to hire one at once. Money at the time was hard to come by and each expenditure of it weighed very carefully. My stance took him completely off balance; he never mentioned it again and I swept and so did she.

I used to enjoy my one and a half mile walk to the post office for mail -- the countryside was lovely and the mail so important to me that anticipation shortened the distance. In after years my son used to buy pulp wood through that part of the country, he used to remark "You must have had a very large school mother, every place I go either the man or his wife, sometimes both, tell me they went to school when you taught."

When I was there I was treated royally and still enjoy returning at my old friendships and bask in

their kindness. The lady at my boarding place refused more than \$5.00 a month and complimented me on how tidy I kept my room. There was one thing about my sleeping quarters I could never manage -- the mattress which as was the custom, was stuffed with straw. I did my best to make it smooth but in spite of my wrestling I might have been sleeping on a rock pile. Finally I had to consult my hostess who knew how to manage a mattress. Once a week she turned it and levelled the stow in a way that let me rest in comfort. I guess I was lucky at that -- in some houses the people had their mattresses in "ticks" as they were called, filled with horn husks.

My next assignment was a Union School where I expected many pupils but on arriving found but nine in the whole section. They were smart children of above average intelligence and we got along nicely. My greatest problem was to keep busy with such a small attendance when I was accustomed to triple the number. Again I was fortunate in choosing a boarding place with an older couple, the son, his wife and a baby. The younger woman had taught my school a couple of years before and given it up for life as a farmer's wife. I sometimes wondered if she ever regretted the choice since her mother-in-law was a cranky old girl who blamed everything displeasing her on someone else, more often than not on her daughter-in-law. I seemed to be exempted from her wrath

for reasons known only to herself and never revealed. Both ladies were grand cooks and I revelled in good meals.

That year, on the 24th of May, my husband to be took me to view my future home at Coboconk where his father and mother were already living. The accommodation was spacious -- seven bedrooms, dining room, living room, kitchen and the inevitable "summer kitchen" which made the house more comfortable during hot weather. There was also a store and a storeroom.

The furnishings pleased me, especially the five piece chesterfield suite, pretty little tables, wall to wall carpet complimented by matching wallpaper and curtains. The spare bedroom

was a dream and there were three nice bedroom suites as well. When I considered the long hard days he had laboured in order to buy all this and make payments on the house, I truly appreciated his efforts to make a home for us. I enjoyed that week end immensely and Ed introduced me to all his friends with obvious pride, somehow I got the impression he expected them to turn the colour of the new grass for envy.

How glad I was that I had outfitted myself with a new spring wardrobe for the occasion. Ed's mother I had already met while she was in Toronto hospital but his father and younger brother had, up to now, been

If you are 65 or older and have lived here for the past year, most prescription drugs can be free.

This is what Ontario is doing for you to get them.

Effective August 1, we have a new law in Ontario. It will allow almost everyone who is 65 or older and has been an Ontario resident for at least the past 12 months to receive most prescription drugs free.

That means prescriptions written by physician or dentist and filled in Ontario. Only those drugs listed in Ontario's Drug Benefit Formulary are free.

Here is who is eligible:

Ontario residents who receive Old Age Security.

If you are 65 or older and are presently receiving an Old Age Security cheque from the federal government, you will automatically receive your new Drug Benefit Eligibility Card before August 1. (And, of course, if you are already getting a drug benefit card, you will continue to get one.) You don't have to do anything about it.

Ontario residents not receiving Old Age Security.

If you are 65 or older, and have lived in Ontario for at least the past year but less than 10 years, you too are entitled to Ontario's prescription drug benefits. But because we don't know who you are, you'll have to apply for the drug benefit card -- at your pharmacy or from the Ministry of Health. After you're enrolled, you'll automatically receive your drug benefit card.

Here's how Drug Benefit works.

There are more than 1,500 prescription drugs listed in the Ministry of Health's Drug Benefit Formulary. When you visit a physician or dentist, tell him you qualify for the Drug Benefit so that he can prescribe medication from the Formulary. Then, give your Drug Benefit Card to the pharmacist. Your pharmacy will keep your card. But you can have it returned -- in case you move or want to go to a different pharmacy.

No cost to you.

When you get your prescription, you pay nothing. The pharmacist will be paid by your Ontario government.

In Ontario, we wish you the best of health. And we're doing something about it. So if you need to apply (and most people don't), pick up your Drug Benefit application form at your pharmacy, or write to:

This Laughing Pilgrimage

strangers.

After all this time I can still remember details of that new suit of fawn material flecked with green. My uncle had brought some gorgeous red silk from China as presents for my sister and myself to be made up in blouses. My hat was especially fetching -- a white leghorn trimmed with tucked tulle and two white ostrich feathers made up by a clever milliner who fashioned a smart, flattering product. The matching shoes were also hand crafted since manufacturers in those days seldom put out the 2½ size I wore. For less formal wear I had a sailor hat and several summery gowns.

That year school had been late starting so I taught until the 12th of July weekend when Ed came for me again. We celebrated the 12th with the Orangemen and everyone else who felt bound to gather in the village beside the Gull River that day. Ed and I went canoeing up the river whose waters flowed clear as crystal between scenic banks lined with lofty pine. The lawn of our future home sloped down to the tree guarded river's edge which remained cool and comfortable through the blaze of noon day's hottest sun. What an ideal spot to linger in hammock or lawn chair!

In this ideal setting we agreed on an October wedding day. I submitted

my resignation to the schoolboard and plunged into a cycle of preparations. For us that approaching day in October was the most important of our lives.

That summer I returned to Tory Hill where I canned all the fruit for my new home as well as mother's and put up pickles and jam enough to last us through the winter. In spare moments we finished and quilted several pretty tops I had pieced while teaching. When all was done I took the train for Toronto to have my wedding clothes made up by skilled dressmakers.

The gown itself was the fulfillment of a dream -- white for purity, it swept the floor -- my heart's desire expressed in delicate fabrics. The going away suit was fashioned in navy blue "ladies cloth" with 18 tiny tucks around its floor length skirt and a yoke of lace over creamed satin. The matching velvet hat flaunted twin ostrich feathers nestled in delft blue ribbon. The fitted coat completing the ensemble was hip length and had a cozy separate collar of grey lamb called a "storm collar". Since I was so tiny any ready made garments were out of the question.

For that all important day, Wednesday, October 16, 1901, Ed and his brother came in on the evening train. Next morning at 9:30 a.m., we were married quietly in the parlour of my home with

about a dozen close friends as audience. How very handsome the Finlay brothers looked in their well tailored navy blue business suits! Bill had a matching top coat but Ed's was fawn and about the length of the car coats men now wear.

While sitting at our early wedding dinner someone mentioned my promise to "obey". I knew I had been nervous and unsettled during the ceremony but I couldn't remember any rash promises like that. I asked the minister if I had really taken that vow but he was no help at all, more unnerved than any of us since we were the first couple he had ever married. Just to settle the point he looked it up in his "order of service" and to my delight it was "love, honour and cherish".

All the villagers were at the station when we arrived to catch the 12:30 train and well prepared for the send off. They showered us with pounds of rice and pursued us into the coach to get rid of it all making a great mess in the process. I felt that

whoever was responsible for cleaning up afterwards would cuss us all.

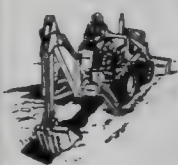

Ed's pockets were half full and there were grains in my hat which worked their way between its velvet covering and buckram crown. For some time after, whenever I bowed my head in church, rice grains would roll out and strike the seats or floor with a "ping" I imagined everyone must hear.

Ed had told the village youngsters we would arrive on the train but sneakily left his horse and rig at the station six miles away the previous night. Thus we arrived before the train which had other stops and a longer route but even then some of the young folk saw us drive in and ran to welcome us with another shower of rice. Reaching the house on a run, we left them to cast their rice in disappointment about the verandah much to the delight of the birds and resident mice. Ed's mother had a nice meal prepared to welcome us to our new home.

Monmouth Council meeting

The regular meeting of the council of the Township of Monmouth was held on June 2, 1975 at 10:00 a.m. with Reeve, K. Gary Agnew, Deputy-Reeve Keith Tallman and Councillors, Howard Anderson, Margaret Finlay and Fred Taylor present. Mr. Floyd Tighe was the only visitor.

Moved by Tallman, seconded by Finlay, that the minutes of the regular meeting held on May 5, 1975 be adopted as circulated and published. Carried.

Moved by Anderson, seconded by Taylor, that the following bills and accounts be paid: General Voucher No. 5 - \$6478.64; Welfare Payroll No. 5 - 613.86; W.C.P.F. Voucher No. 5 - 21875.69. Carried.

Moved by Tallman, seconded by Finlay, Resolve it be that we accept the tender of George Farr at \$250.00 for one used dump box and hoist. Carried.

Moved by Finlay seconded by Tallman Resolve it be that a letter be written to the hydro regarding their contract for poles and or guide wires, being placed on municipality property. Council would agree to this contract if hydro will agree to pay all costs if poles and wires are to be moved at any time. Carried.

Moved by Finlay seconded by Anderson that Ruby Alden be hired as custodian on the basis that the clerk call her when necessary and advise how many hours required. Carried.

Moved by Taylor seconded by Anderson, that this Council hereby authorize The Monmouth Fire Department to hold a fireworks demonstration in July. Carried.

Moved by Taylor seconded by Anderson that the clerk advise Bowes and Cocks Ltd. that the old I.B. and O. railroad bed is owned by the Township but has not been taken into our road system and does not provide public access to Lot 4,

Concession 8, of the Township of Monmouth. Carried.

Moved by Finlay seconded by Anderson, that the clerk write to Mr. Fleming of John Welsh and Son Funeral Home re charge for vault use for taxpayers in our municipality. If charge was made at any time such monies are to be returned to the parties who were overcharged. Carried.

Moved by Taylor seconded by Tallman, that we adjourn for lunch and reconvene at 1:00 pm. Carried.

Moved by Finlay seconded by Anderson Be it resolved that the Council purchase the 220 Savin copier which has been on loan for six months. Carried.

Moved by Anderson seconded by Taylor, that the clerk's vacation be approved from September 15th to 28th, 1975. Carried.

Moved by Tallman, seconded by Anderson, Be it resolved that the road accounts for the month of May in the amount of \$4838.44 be paid. Carried.

Moved by Anderson,

seconded by Taylor that we purchase hot mix patching form Ministry of Transportation and Communications ten tons. Carried.

Moved by Tallman seconded by Taylor Be it resolved that we lease a piece of property on part lots 33 and 34, concession 16, to the Wilberforce Curling Club to build a curling rink. Location to be agreed by both parties. All costs to be paid by the curling club. Carried.

Moved by Taylor seconded by Anderson that we advise Cooper-Pitts we cannot do anything on road to RD72 until this road is brought up to Ministry of Transportation and Communications standards and deeded to the Municipality. Carried.

Moved by Tallman seconded by Taylor that we have a dance and dinner for all employees who have worked on the community centre, date to be decided by the Building Committee. Carried.

Moved by Tallman seconded by Finlay, Be it resolved that we adjourn. Carried.

SPONSORED BY THE ROTARY CLUB OF MINDEN

Hall's Lake news

Mrs Sadie Montgomery and her grandson, Tom Montgomery and granddaughter Colleen are at the cottage for a holiday. Tom will be staying on for the summer months.

Mrs. J. Baird had members of her family with her for the weekend.

Mr and Mrs. Roy Clark and her mother have returned after having had a visit to England.

The Caption "Butcher fined for cutting up" in last week's paper made me think of the Butcher who backed into the meat grinder and got a little behind in his orders!

The Airport Committee held a picnic on Sunday for those who helped out at the Fly-In last Sunday.

Mrs. Hazel Welch is still enjoying a visit with her cousin in Kirkfield.

Sorry to learn that Mrs. Murray McGuire has been on the sick list.

Euchre games are being pretty well attended since the better weather has arrived, at Club 35 that is. For 50c a pleasant evening with neighbours and friends playing cards, a chance at

winning a token prize, plus refreshments, all make for a good night out.

Just read an interesting article regarding our Changing World stating that "Depression" Songs could cheer us up. Songs like "On the Sunny Side of the Street", "The Best Things in Life are Free" and "Here it is Monday and I've still got a Dollar". One of the popular pieces today is "Brain Damage" ("The lunatic is on the grass" and "I shot the Sheriff"). Even "Walking my baby back home" might be a good idea with the high price of gas.

Mr and Mrs Jack MacGregor of Toronto and their two young daughters have moved in to Camp Kandalore to manage it for Mr. Kirk Whipper. Their girls go to school in Dorset, We welcome them as year-round residents.

Mr and Mrs George Holliday from Mount Forest spent the weekend at Hall's Lake.

Not so nice weather over the weekend but a lot of cottagers got their odd jobs done. Today is a beautiful day after rain and coolness.

The Rev. Douglas Brown

and Mr. David Danner had dinner and spent the evening with the Stinson's on Thursday. David is the student Minister for the Summer and has an excellent reading voice in the Church and also at the Home in Minden, which the Seniors enjoy.

Nice to see Mr and Mrs Laurie Arthur up for their 10-day holiday and Mr and Mrs Neil for the weekend and glad to hear they got their cottage garden in.

Mr Leonard Stinson has departed for a week in Hamilton.

Sorry to learn that Mr. Tom Edsel and his wife and family of Huntsville are leaving for the West. Tom has been one of the good mechanics with the Department of Transportation and Communications for some years through this area and will be missed.

District Supervisor of J.W. spoke to Haliburton group

"Mankind is rightly concerned about the future. Many leading experts warn that the human race may be killed off as a result of overpopulation, famine, pollution and international war. However, we are confident that the world will not end by these means. The Bible says that this Satanic system of things will be brought to its end by the hand of God, at a war which is called in God's Word 'Armageddon'. This in turn will pave the way for a righteous new order of things, here on earth, directed by God's Kingdom."

These were the words of Mr. Harold McCallum, District Supervisor of Jehovah's Witnesses in Eastern Canada, as he spoke on the subject, "Stand Still and see the Salvation of Jehovah."

His audience of 1,073 persons included approximately 97 Jehovah's Witnesses from Haliburton, who had gathered for a two day seminar on June 14th & 15th. They were convened in the newly-constructed As-

sembly Hall of Jehovah's Witnesses, located west of Brampton on Highway #7.

Mr. Wm. Borden of the Haliburton Congregation reported that the object of the seminar was further education on the Bible and it's application in everyday life. Parents, for example were shown how to reach the hearts of their children with the Bible message, and parents themselves were told that as the world becomes more and more hateful, they must work harder to let love abound.

A further highlight, was the baptism by water immersion of 23 new Witnesses on Sunday morning.

Borden said in conclusion, "We have learned a great deal from the lectures and discussions over the past two days, and as we head home, we feel an urgency about becoming better parents to our children, and better Christian neighbours to all those in our community."

Trent Severn waterway

Below normal rainfall, except in isolated areas, continues to reduce the storage in the reservoir lakes. On June 10th, the lakes as a whole were slightly over 90% full, with some variation in individual lakes and watersheds, depending on local rainfall.

Flows past Peterborough have been maintained up to 25% less than the normal minimum for the past three weeks, in order to conserve as much water as possible.

The Orillia, Water, Light

and Power Company personnel have indicated that they propose lowering the head pond above their power plant at Minden, in order to carry out repairs to the spillway. The drawdown is expected to be 2½ to 3 feet and is tentatively scheduled for the period from the beginning of July to mid-August.

The water level between the Minden power house and the Horseshoe dam is under control of the power company.

Meeting of the townships of Anson, Hindon and Minden

The Tenth Meeting of the Council of the Townships of Anson, Hindon and Minden was held in the Council Chambers of the Municipal Building on Monday June 9, 1975 commencing at 9:30 a.m.

Present: Reeve Reg Booth in the Chair; Deputy Reeve, Douglas Pritchard; Councilor Helen Johnson; Clerk-Administrator, Richard Parisotto; Road Superintendent, J. Earl Hewitt.

D. Pritchard-H. Johnson That the minutes of the meeting of May 20, 1975 be approved. Carried.

Letter was received from Brewers' Retail in reply to our submission of May 21, 1975 advising of increased store opening hours for the summer.

Letter was received from Mr. and Mrs. Ralph St. John requesting lake access and docking facilities. The Road Superintendent was directed to investigate this location.

Mr. Bruce Harris and Mr. Larry Hughes were present to present a petition signed by 11 persons protecting the possibility of a mobile home subdivision Lot 12, Concession 3, Township of Minden.

Letter was received from Mr. Sid Stamp of Sid Stamp Fuels Limited requesting the closing and purchase of part of the road allowance between Lots 2, Concession 2 and 3, Township of Minden. Council deferred this matter until the Ministry of Transportation and Communications has completed their work on the Hwy. #35 By-pass. The applicant is to be advised of the possible costs involved if the closing is considered at a later date. Carried.

Letter was received from Mr. Boyd Heaven regarding a hanging rock on Horse-shoe Lake Road No. 1. The Road Superintendent was directed to investigate and take the appropriate action after making recommendations at the next meeting.

H. Johnson-D. Pritchard Be it resolved that Council

has no objection to the issuance of a building permit to Mrs. Wm. F. King for repairs to her storage building in Lot 6, Concession 4, Township of Minden provided the building is not enlarged and the use is not changed from that of a storage facility only. Carried.

D. Pritchard-H. Johnson That we apply for membership in the Ontario Parks Association at a membership fee of \$16.00. Carried.

Letter was received from Mrs. Nerina Burke claiming for damage by fire of trees. The claim is to be processed through normal procedures.

D. Pritchard-H. Johnson Whereas application for Consent H-210/73 proposes the creation of a separate lot

in lot 10, Concession 6, Township of Minden.

Whereas the present roadway parallels the former roadway in which the Municipality retains interest, thereby confirming an allowance for road varying

1975 HORNET HATCHBACK

Hornet Hatchback "X"

You might choose the Hornet Hatchback for its sporty good looks. But style is just one of its strong points.

Under way, the Hatchback gives you easy handling plus solid roadability. And economy. Standard is a thrifty, six-cylinder engine that moves out with authority, yet saves gas with the best of them in its class.

In back is a big "third door" and folding rear seat to give you easy access to a vacation-size, 23.0 cu. ft. of cargo space. (Counterbalanced hatch door stays up out of the way in loading, gives you an assist in raising it.) As an option, you can have a hidden compartment that gives you added space below the floor.

Also out of sight, but never out of mind, is AMC's great BUYER PROTECTION PLAN. It's your assurance of value and lasting satisfaction. And no other North American automobile manufacturer has it!

All new AMC cars are backed by the exclusive AMC Buyer Protection Plan. Ask us for full details

Gems of Truth

CHURCH UNITY

"There is one body, and one Spirit, even as ye are called in one hope of your calling; one Lord, one faith, one baptism, one God and Father of all, who is above all, and through all; and in you all". Ephesians 4:4-6.

Time and again one hears discussion about the virtues and values of an 'ecumenical church' and no doubt we are bound to hear a great deal more. Plans are continually being laid to establish a "world church" with a Protestant ruling body to preside over its destiny. The bell is being rung and the drums beat out a theme of "evangelism" to draw attention to a unified need for a Gospel which appeals to all nations. The true "Gospel" which saves sinners, is largely disbelieved and unwanted by these planners.

How about it? Do we want or need a world church which would put all beliefs into one common pot and try to serve the world with its contents. Every earnest and thoughtful Christian must surely see the farce of such a movement in the light of true Biblical Church teachings and practises.

Church unity must be and ever has been a unity of the Spirit, never simply a unified religious organization ruled by men who are seeking to be guided by their own thinking and skepticism concerning the good old "Book". Men who deny the Deity of Jesus, scoff at the Virgin Birth and disbelieve the resurrection are scarcely fit to being in a better world by a social service to its inhabitants.

The true people of Jehovah God need only to

know the common basis of their common faith in order to be bound together in a common bond and endeavour. This basic belief in the need of man, (a Saviour from sin) is the true basis of ecumenical Christianity. If we want unity among God's children, this is the rule by which it can be achieved.

"There is one body" is the opening phrase of this great declaration of faith, verse 4. In administration and for convenience of worship and service, we are divided up into many groups, but the true Church remains "One Body". That "Body" has a common salvation experience and the "love" which the Holy Spirit imparts to every child of God knits together those children known in Scripture as the Church. This is the true ecumenical Church in the world. The

love for Jesus which permeates the true Christian sweeps aside any barrier of other assembly allegiance, thus making the unit complete. It should not matter one iota to the members of that "One Body" where God found His child and nurtured it. It belongs to the "Body" and should be accepted as such in any gathering together of the members of that "Body". Here is the basis of real Christian unity; there is one "Body" and we are all members thereof as the Holy Spirit placed the believing sinners into it.

That same Holy Spirit indwells the entire "Body" and is its true source of life. All such indwelt ones have a common Father and true brotherhood is their portion. Furthermore, the Lordship of Christ also belongs to the unity of the Church. The sufficiency of that common Saviour is a cherished fact as the Lord is recognized in all His accomplishments for the blood-bought saints. He is the "one faith" of verse five and He alone.

Let us turn away from all the confusion surrounding us concerning the Church and search the Scriptures diligently, always seeking the enlightenment of the Holy Spirit who wrote its pages and thus find truth concerning the Church. The Bible must ever be our only court of appeal, for there alone do we find the revelation and mind of God. The unadulterated Scriptures are still authoritative and final in all matters, the "unity of the Church" not excluded. They are the "Magna Charter" of the Church, our modern Divine Bill of Right.

St. Anthony

Masonic Church Parade

This year's annual church parade by the masons of North Entrance Lodge, Haliburton, proved to be a truly historic occasion. It was the first time in the history of the local Lodge, and indeed, in the District, that the masons had visited a Roman Catholic church. The warm welcome which they received from parish priest Father Henry Maloney and the congregation of St. Anthony's, more than made up for the time, effort and organization involved in preparing for this special event, which took place on Sunday, June 8th, at 1 p.m.

Father Maloney proved to be both a most gracious host and a most interesting speaker, as he led his visitors and congregation in the beautiful service of the mass - the traditional catholic service of Holy Communion - a service which, in its present English form, closely resembles the communion services of the Anglican and Protestant denominations, which inherited it in slightly different form.

The masons were individually greeted at the entrance of the church by Father Maloney. They then proceeded to their seats during the singing of the procession hymn - "In Christ there is no east or west". The Lodge Chaplain, V. Wor. Brother Joe Taylor read one of the Scripture Readings; and the Master of North Entrance, Wor. Brother Bill Gliddon led in the Psalm, as well as acting as Organist for the service. At the altar, Father Maloney praised the masons for the fine work they do, to better themselves, and to help the sick and unfortunate, and also for taking the initiative in this symbolic act of reconciliation with their catholic brethren of the Church of Rome. The most moving and meaningful part of the service for many was just before the Communion, when the priest invited protestant masons and catholic congregation to greet each other, according to the traditional ritual, with "the sign of peace." The mass ended with the recessional hymn - "We are one in the Spirit, we are one in the Lord; and we pray that all unity may one day be

restored, and they'll know we are Christians by our love." The significance of this hymn and of the entire service was deeply felt by all present, amid a general atmosphere of genuine goodwill and cordiality.

A large number of local and visiting masons attended this year's service. Notable among them were the District Deputy Grand Master, Rt. Wor. Brother Gordon Oliver; District Secretary, Wor. Brother Keith Gordon; Wor. Brother Bill Scott, M.P. and Brother Glen Hodgson, M.P.P.

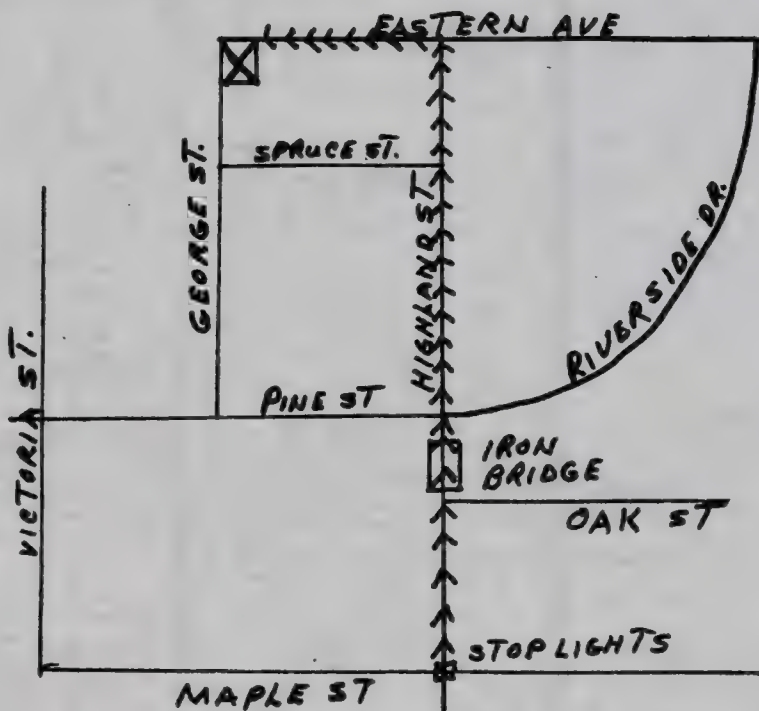

Freemasonry is neither by nature nor constitution anti-catholic. (Many Roman Catholics are masons, - in fact there are entire Roman Catholic Lodges in certain parts of the world.) However, differences and mis-understandings (based on ignorance of each other's aims and rituals) have aggravated relations from time to time. As Father Maloney stated in his sermon, there have been through the years "bad boys" in both the masonic order as well as in the catholic church.

In Memoriam

JOHNSTON - In loving memory of a dear wife and mother, Jessie, who passed away June 16, 1960. A few more steps along life's road. Then by God's grace we'll meet again. Beyond the vale of tears. Sadly missed by husband and family.

JOHNSTON - In loving memory of a dear son and brother, Roy W. Johnston, who passed away June 11, 1964. Wonderful memories of one so dear. Treasured still with love sincere; In our hearts he is living yet. We loved him too dearly to forget. Sadly missed by mother and family.

Thank-You

I would like to express my thanks to relatives and friends for the many cards, visits and flowers.

Special thanks to Dr. Service and Dr. Watson, Nurses and staff of the Ross Memorial Hospital in Lindsay, and to the Salvation Army of Haliburton and Lindsay.

May God Bless you all Mrs. Wes Sawyer.

The Family of the late Robert Henry wish to thank all those who called on Bob or sent cards during his stay in Hospital and for cards and flowers at the time of his passing.

A special thanks to Lt. Savage for his words of comfort, and also to the ladies of Tory Hill and Wilberforce who served refreshments to our friends and relatives.

I wish to take this opportunity to thank all my friends, relatives and neighbours for their kindness to me while I was in the hospital and after I came home and for all their cards, phone calls, prayers and their visits. Special thanks to the Haliburton United Church Choir for their flowers I received in the Hospital and to all who sent flowers. Thanks to the Nurses and Doctors both in St. Joseph's Hospital in Peterborough and Haliburton. Special thanks to Rev. and Mrs. Don Nicholson and Rev. and Mrs. Glenn Rosch for their prayers and visit. May God richly bless each and everyone of you. Thank you again. Gwen Cameron.
